Elisabeth Lentz - Restore Balance Today

Waiver of Liability for Molokai Retreat October 14 – 21, 2017

Terms and Conditions

I understand the following:

The Molokai Retreat is organized by Restore Balance LLC and guided by Elisabeth Lentz. All deposits are non-refundable. All participants are assuming their own liability and are strongly encouraged to have travel cancellation, medical and emergency evacuation insurance.

Travel Insurance

All participants are strongly encouraged to have travel cancellation, medical and emergency evacuation insurance. This insurance can be purchased at a minimal cost to the client (approximately \$50-100) and addresses the medical needs of a client while travelling. Restore Balance provides information on travel insurance (below) but the responsibility to procure insurance lies with the client. Medical and emergency evacuation insurance is encouraged and can be purchased through Travelex Insurance Company, PO BOX 641070, Omaha , NE 68164-7070 www.travelexinsurance.com -or -enroll by phone 1-800-228-9792. Trip cancellation insurance, which can refund any deposits or pre-payments can also be purchased with the medical and emergency evacuation insurance from Travelex Insurance for an added fee. Please, feel free to use any insurance which works for you. Last year one participant found that she was covered through her credit card company for travel and accommodation. Since the last 2 trips, which I organized, no one was in need of using the insurance, I do not have practical experience with the company. Please, do your own due diligence and go with what is comfortable for you.

Air Travel

All participants are responsible for booking and purchasing their own air travel and taxi to the resort. There is a possibility of sharing taxis once all flight information is shared.

Deposit, Payments and Cancellation Policy

Deposit and payments will be made to Restore Balance, LLC, Elisabeth Lentz, but in no way holds Restore Balance responsible or liable for any and all claims. Trip cancellation insurance, as mentioned above, is strongly encouraged for such circumstances of bodily accident, family emergency, death or unforeseen trip cancellations.

Other Terms

Without limitation, Restore Balance, is NOT responsible for any injury, loss, or damage to person or property, death, delay, or inconvenience in connection with the provision of, or failure to provide, any goods or services occasioned by or resulting from (but not limited to) natural disaster, mechanical or other failure of means of transportation or for the failure of any transportation mechanism to arrive or depart on time, or from any of the above conditions caused by companies contracted by Restore Balance and for any other cause beyond the direct control of Restore Balance.
